Dear Sirs:

Agent for Applicant respectfully acknowledges receipt of office action dated 10/31/2003 and 11/10/2003 and responds as follows:

**Response to Applicant's failure to timely file a proper reply to the office letter mailed on 04 April 2003**

The applicant has received the track from the UPS that the response had been delivered to The Commissioner for Patents, P.O. Box 1450, Alexandria, VA 22313-1450, on 02 October 2003, i.e. before 04 October 2003. Enclosed is a copy of the tracking summary. The applicant had also paid a check of \$465 for the extension fee pursuant to 37 CFR 1.136(a) for the patent application in that mail. The patent office took the money from my account on 14 October 2003.
